by: MAYES, MICHAEL ANDREW

On November 03, 2017 I responded to a call at Greenville for a suspicious male and female who possibly were in possession of a controlled substance. Upon my arrival I made contact with the defendant Jay Fields and his girlfriend Kami Walls in front of the Man Fire Department adjacent to Man High School. I asked them both to step back toward my vehicle in which Ms. Walls complied and Mr. Fields did not, when I asked him a second time he began to run back toward the fire department. I gave him Verbal Commands to stop and, I was able to grab his jacket but it came off. When the jacket came off, he produced a firearm in which I drew my weapon and gave him verbal commands to stop and drop the weapon. Mr. Fields threw the gun down around where my patrol car was sitting and continued to run. I continued to pursue and I drew my taser. I gave Mr. Fields taser commands, which he refused to comply as well and I deployed one taser cartridge which was ineffective. He continued to run and jumped in the river, and I proceeded back to my patrol car to let Logan 911 know that I was in a foot pursuit, and continued to the other side of the river where I lost sight of him. After learning the defendants name and running a criminal history through Logan 911, Mr. Fields came back as a convicted felon. Upon searching the jacket he was wearing a small plastic container was found containing what was believed to be methamphetamine. I was able to locate the handgun that Mr. Fields brandished toward me as well. The handgun was secured and placed into evidence along with the other items that were recovered. The firearm was ran by Logan 911 and came back as no record. A warrant was issued and Mr. Fields was located by State Police and arrested on February 14, 2018. All Acts occurred in Logan County West Virginia.

I, Kami Denise Walls, am giving the following voluntary statement to Lt B D Ogb, a deputy sheriff. No threats or promises have been made to me, and I understand that this statement can be used as evidence in a Court of Law. My statement is being given as a result of my being a:

☐ VICTIM ☐ WITNESS ☐ SUSPECT ☐ DRIVER ☐ PASSENGER ☐ PASSENGER ☐ PEDESTRIAN

About a month or so ago, I told my boyfriend, Jay Fields, that I wanted a gun for protection. On Tuesday of this week, he came home with a black .45 cal. pistol. It was a surprise. It only came with one bullet. I looked at it. He asked if I liked it. I told him I did. He said that we would keep it. He said he paid \$50.00 or \$75.00 for it. We weren't able to leave it at home because we didn't want it to be stolen. I had been parking it because Jay is a convicted felon. Last night we went to spend the night with our friend, Dink. He lives in Greenville. We left our house a Slabtown at around 6:00pm. Jay's sister, April Hendricks, gave us a ride. I had the gun in my purse. It stayed in my purse all night. Jay and Dink left at some point but I don't know what time. It was after dark. I smoked some weed and used a subvone strip at around 11:30 pm and went to bed. They were still gone. I woke up around noon today and they were back home. Right when I woke up, I took the dog for a walk. I was gone 30 to 45 min. I went back to Dink's and called Jay's mom to come get us. She said she'd be there around 4:30-5:00 pm, after Jay's son got off the school bus. My purse was full. I tried to put the gun in the back of my pants because we wanted to walk to Hardees. The gun fell out of my waistband and hit the floor. I picked it up. Jay said he would hold the gun until we could get situated and get it back in my purse. While walking out of Greenville, I handed the gun to Jay. I didn't pay attention to where he put it. We kept walking towards Hardees. A deputy was turning from the opposite direction and pulled up on us beside the Little League field. While the
